peasant wars of the twentieth century provides a good short course in the major popular revolutions of our century in russia mexico  
china algeria cuba and viet nam not from the perspective of governments or parties or leaders but from the perspective of the peasant  
peoples whose lives and ways of living were destroyed by the depredations of the imperial powers including american imperial power  
new york times book review eric wolf s study of the six great peasant based revolutions of the century demonstrates a mastery of his  
field and the methods required to negotiate it that evokes respect and admiration in six crisp essays and a brilliant conclusion he  
extends our understanding of the nature of peasant reactions to social change appreciably by his skill in isolating and analyzing those  
factors which by a magnification of the anthropologist s techniques can be shown to be crucial in linking local grievances and protest  
to larger movements of political transformation american political science review an intellectual tour de force comparative politics
